Application will be accepted up to March 20, 2026

Firestone Liberia (FSLB) is seeking a highly motivated and experienced Quality Assurance Supervisor to join our team. The successful candidate will play a key role in ensuring that FSLB achieves and maintains certification to ISO 9000, ISO 14001, ISCC, and any new international standards relevant to our operations.

Responsibilities:

- Conduct internal audits for ISO 14001, 9000, ISCC, etc. to ensure departments comply with these international standards.
- Issue corrective action requests to departments.
- Work with departments to close out nonconformities from audits and inspections.
- Monitor Bridgestone Supplier KPIs to achieve customer satisfaction.
- Maintain and organize documents and records.
- Other duties as assigned by the manager.

Minimum Qualifications:

- BSc. Degree in biology, forestry, botany, environmental science, ecology, natural resource management, conservation biology, engineering, geology, chemistry, or a closely related field.
- Two (2) years of work experience in auditing, inspection, compliance evaluation, and the provision of auditor training to internal auditors and management systems awareness training to teammates.
- Candidates must be capable of using the Global Positioning System (GPS) and the MS Office Suite (Word, Excel, PowerPoint, etc.).

Preferred Qualification:

- Five (5) years' work experience in required fields.
