Background of the organization

SOS Children's Villages is active in 136 countries and territories, advocating, supporting children, and strengthening families. By 2030, the SOS Children's Villages Federation aims to ensure that many more children succeed in life and to lead the world's largest child-care movement.

SOS Children's Villages is an international childcare and child protection organization whose vision is a world where "Every child belongs to a family and grows with love, respect, and security. SOS Children's Villages started operations in Liberia in 1981. Since then, SOS Children's Villages has been active in the area of child safeguarding, youth empowerment, family strengthening, health, education, community development, advocacy, and partnerships for quality care. SOS Children's Villages in Liberia core programmes are:

- Innovate Alternative Child Care
- Strengthen Families
- Advocacy & Partnership for Quality Care
